

CLIENT CASE STUDY

Cantey Tech, a portfolio company of LNC Partners, has acquired Palindrome Consulting

About Cantey Tech

Cantey Tech is a leading IT managed service provider (MSP) for small and mid-sized businesses in the southeast United States. Cantey Tech provides a broad offering of IT managed services, including IT consulting services, help desk support, data security, cloud management, backup and disaster recovery, hosting, application support, and vendor management. The company is based in Charleston, SC, with team members across the US.

Results

The combination of the two companies provides Palindrome's clients with additional service capabilities and more resources, while they will retain the local service that they have come to expect. The transaction also allows Cantey Tech to expand into Florida, consistent with its strategy of growing throughout the Southeast.
