

CLIENT CASE STUDY

DSM has been acquired by Thrive

About DSM

DSM, founded in 1986, has 63 employees listed on LinkedIn. The company, based in Lakeland, Florida, offers data protection, disaster recovery, and managed cloud services backed by Criminal Justice Information Services compliant data centers.

DSM is Thrive's third MSP acquisition in Florida over the past six months.

Results

Thrive has acquired more than a dozen MSPs, IT service providers, and consulting firms since 2016. The company now positions itself as a "security-first MSP" that delivers "comprehensive managed services and unmatched expertise to drive secure digital transformation for small to mid-sized enterprises across multiple industries," according to Thrive.

Next Steps

To learn more about our MSP investment banking services or to discuss your specific situation with no obligation please feel free to call FOCUS' MSP Team Leader and Managing Director, Abe Garver, 646-620-6317 or abe.garver@focusbankers.com.

"For over three decades, DSM's primary objective for our clients has been to optimize their digital transformation and their journey to the cloud. We are delighted to be the newest members of the Thrive family as their dedication to providing a personalized IT path towards customer satisfaction complements our commitment to total IT peace of mind for our clients."
