

FOCUS OVERVIEW

TELECOM

ONE OF THE MOST EXPERIENCED MIDDLE MARKET INVESTMENT BANKING TEAMS IN THE COUNTRY.

FOCUS provides a range of investment banking services tailored to the needs of growing businesses. These services include mergers and acquisitions, corporate finance, strategic advisory services, corporate valuations and strategic partnering and alliances.

OVERVIEW

FOCUS' seasoned team of investment banking professionals have a wealth of experience providing M&A and corporate finance advisory services to middle market clients within the telecommunications industry. We are adept at navigating the complexities of mergers and acquisitions as well as capital raising transactions, ensuring our clients receive tailored guidance and support throughout the process.

This is an exciting time for middle market telecommunications companies. Consolidation among the industry's largest companies creates opportunities for smaller, nimbler competitors to develop the innovative technologies and business models that will shape the industry in the years ahead.

AREAS OF FOCUS

- Voice and data telecommunications service providers
- Network support services such as engineering, construction and maintenance
- Telecommunications hardware and software
- Equipment distribution and supply chain services
